ABOUT GAN

Graham Advisory Network Incorporated (GAN Inc.) is a SAM.gov registered Small Business, SBA Certified HUBZone & SDVOSB company that specializes in Library, Training, and Knowledge products. We provide government procurement and subscription access management to journals, databases, e-books, online training, SaaS, and other library and knowledge systems and services. GAN focuses on the special needs of librarians, researchers, healthcare providers, and education providers across the spectrum of governmental agencies and departments. If you need a quote for one subscription or license - or a thousand - we can manage the entire process for you while also actively working to save your department or agency money. We can also consolidate your various subscription and access contracts into one annual contract and negotiate option years for renewals to help streamline your procurement process for years to come. Call us now to discover how quickly GAN will become your most valuable Small Business, HUBZone, and SDVOSB Federal procurement resource.
